MEMORANDUM ADOPTING REPORT AND RECOMMENDATION OF UNITED STATES MAGISTRATE JUDGE

Came on for consideration the report of the United States Magistrate Judge in this action, this matter having been heretofore referred to the Magistrate Judge pursuant to 28 U.S.C. § 636. On July 19, 2022, the Magistrate Judge entered proposed findings of fact and recommendations that Defendant be committed to the custody of the Bureau of Prisons to be imprisoned for a term of four (4) months, to be followed by four (4) months home detention, to be followed by two (2) years of supervised release under the same conditions previously imposed. The Magistrate Judge further recommended Defendant be placed at the Federal Correctional Institute in Forrest City, Arkansas, if appropriate.

Having received the Report of the United States Magistrate Judge and having received Defendant's waiver of his right to object to the proposed findings and recommendations of the Magistrate Judge (Dkt. #213), the Court is of the opinion that the findings and conclusions of the Magistrate Judge are correct and adopts the Magistrate Judge's report as the findings and conclusions of the Court. Accordingly, Defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of four (4) months imprisonment, to be followed by four (4) months home detention, to be followed by two (2) years of supervised release under the same conditions previously imposed. The Court recommends Defendant be placed at the Federal Correctional Institute in Forrest City, Arkansas, if appropriate.

IT IS SO ORDERED.
